## About the Plaques:

Bronzed and 4 ¾" x 4 ¾ ", 3/16" thick- the recessed surface will be patinaed, and the entire plaque lacquer sealed. Please describe what or whom you would like to acknowledge on the square below (Wording and general layout in as much or as little detail as you would like to give, we can certainly help fine tune any designs, if you would like). You may attach an image or logo in a vector (preferred) via email.

***High contrast images only, please. NO GRAY SCALE.***

Once this draft is submitted, a designer will be in touch for your final approval. Once a design is completed and approved, plaques usually take a few months to be manufactured in Long Island, NY.
